Linden Counseling LLC | Good Faith Estimate & No Surprises Act
Lindsay Marcy, MA, LPC

You have the right to receive a good faith estimate of what your services may cost.

Under the law, health care providers need to give patients who don't have insurance or who are not using insurance an estimate of the expected charges for medical services, including psychotherapy services.

You have the right to receive a Good Faith Estimate for the total expected cost of any non-emergency healthcare services, including psychotherapy services.

Below you will find a Good Faith Estimate you may read before you schedule a service.

If you receive a bill that is at least $400 more than your Good Faith Estimate, you can dispute the bill. Make sure to save a copy or picture of your Good Faith Estimate.

For questions or more information about your right to a Good Faith Estimate, visit www.cms.gov/nosurprises, or call (800) 985-3059
